ALFRESCO SUPPERS AT DAYLESFORD ORGANIC FARMSHOP

We are extremely excited to launch alfresco eating at the Daylesford Organic Farmshop in Gloucestershire in time for summer living. The outdoor area will be open from 18th June until 12th September on Thursday, Friday and Saturday evenings with last orders taken at 9pm.

Earlier this year we were delighted to have earned a Bib Gourmand from the Michelin Guide for the Daylesford Café which inspired us to extend our Café to outdoors for alfresco eating in the summer, completing our Daylesford Café experience in the Cotswolds.

The Farmshop is a perfect destination to meet up with friends and family and enjoy a relaxed and sociable atmosphere in the warm summer evenings for a bite to eat accompanied by a chilled glass of Château Léoube rosé from our sister estate in Provence.
