## BIB GOURMAND 2009 AWARD Daylesford Organic Farmshop Café

We are delighted and immensely proud that our Farmshop café in the Cotswolds has earned a Bib Gourmand Award from the Michelin Guide.

The award is highly prized by restaurants as it symbolizes 'good food at moderate prices'. Daylesford Organic is the first organic café to achieve this award.

Do you know? Bib is short for Bibendum, the Michelin mascot created in 1898 from the imagination of the Michelin brothers, André and Edouard, and the pen of cartoonist O'Galop. The mark symbolises 'high quality' and is universally recognized.
